

Product Phase out Notification

Dear Partners,

Due to the chipset EOL, we are sorry to inform you the production of following models will be terminated. According to the EOL terms, Korenix will phase out the following outdoor wireless AP products.

Korenix will phase out following product:

JetWave 2410N US/EU/UK/ AU/JP/CN 802.11g Wireless Outdoor Access Point with external antenna

JetWave 2410 US/ EU/ UK/ AU/ JP/ CN 802.11g Wireless Outdoor Access Point with internal antenna

For new project, we suggest following solution:

JetWave 2450-CE/FCC-EU/US/UK/AU
IEEE 802.11n Wireless Outdoor AP with internal antenna and
internal N-type socket, 100-240V EU/US/UK/AU plug
